

Sunday 21<sup>st</sup> October 2018:

70 Archers travelled to Burnley today to shoot at Team Firebird's Spa Wood.

The 2 x 20 3D targets had been strategically placed by course layer Chris Wilkinson to get the best out of some of the most skilled Archers in the Country. The feedback received indicates that he succeeded in his mission to test them.

Buoyed on by scrumptious cakes, home made soup and the obligatory 1/4lb Burgers the Archers rose to the challenge.

With the 100<sup>th</sup> Anniversary of the First World War Armistice fast approaching, Poppies and Certificates were awarded in place of the obligatory Archery Medals.

As the attached scores reflect, quite a number of awards were made.

Team Firebird would like to take this opportunity to thank its members and guests for making it a very special day.
